

Attention: Sandown Estate residents

Renewal of road closure and access control

Our current road closure and boom access control application is coming up for renewal and we have to reapply to the council to extend the closure.

The road closure has resulted in a dramatic decrease in crime in our area since it was implemented and continues to be a material factor in keeping crime down in our area.

In order to renew the current authority given to us by Johannesburg Roads Agency (JRA) we need to get consent forms from a minimum of 67% of the Estate residents supporting the application in order to allow its renewal. **You do not have to be a CAP subscriber to fill in the consent form. CAP is helping us to facilitate the collection of the consent forms but it is the Residents Association that is driving this initiative.**

Please note the following conditions apply

- One form = 1 vote
- One form per household
- If there are any complexes or apartment buildings, each unit needs to sign.

There are three ways to complete the form:

1. Use the link below to digitally fill in the form and submit electronically.
<https://salesforce-eu.123formbuilder.com/form-75410/sandown-estate-road-closure-consent-form>
2. Fill in the form manually and either WhatsApp or email it to the following.
 - a. 082 330 1698
 - b. sean@topring.co.za
3. Message 082 330 1698 with your name and address and I will drop off and collect a form at your convenience.

We would like to complete the forms by the end of July so we can finalise the application timeously.

To keep Sandown Estate secure **we need you and your neighbours** to sign your consent. Please can you talk to your neighbours and encourage them to complete the form as our security is in everyone's hands.

The information on the forms will be treated as confidential and used only for this specific purpose.

If you have any queries, please feel free to contact any member of the committee for additional information.

Thank you.

Sean du Toit – 082 330 1698
